CHARACTER HISTORY

Born to illiterate parents and lacking education

Gary spent his formative years being bullied for

his lack of understanding even the most basic

principles. As soon as he was old enough to

leave home, he went in search of strength and

power, hoping to one day find retribution for

the trauma he suffered at the hands of his peers.

His quest led him to the discovery of magic and

his ability to manipulate it. But controlling such

power wasn't enough. He needed to learn how

to fight. When he heard of a newly discovered

land rife with monsters and magic, he saw it as

an opportunity to gain the strength he'd always

been lacking, compared to his orcish clan.

Now, he spends his days studying the strongest

most powerful creatures he can find, seeking to

defeat them and strengthen himself in the

process.
