CHARACTER HISTORY

With no memory prior to waking up on a ship

Virran, a name found near him at the time of

waking, seeks knowledge anywhere he can find

it. Knowledge about himself, knowledge about

the world around him, and knowldged of how

he came to be. With so few memories to know

who he is, he began calling himself Crazy as a

means of taking power from those around him.

When word came of a newly discovered land,

he caught a ship to find what knowledge this

new land held.
